Be Doggone Smart

Stay away from dogs without an owner.

Tell an adult if you see a loose dog.

Help a lost dog by calling Animal Control.

A safe dog is ...

On a leash with a person you know

Sitting calmly, panting, wagging his tail and looking happy

A dangerous dog is ...

Running loose or tied up

Growling, showing his teeth

Looking worried with his mouth closed and a half moon of white showing in his eye

Warning you to stay away with his tail high and his mouth closed

Holding his tail between his legs or wagging his tail slowly way up in the air
