

## Internet Explorer 9, 10, 11 Compatibility Setup for Spaceport Imaging Laserfiche Sites

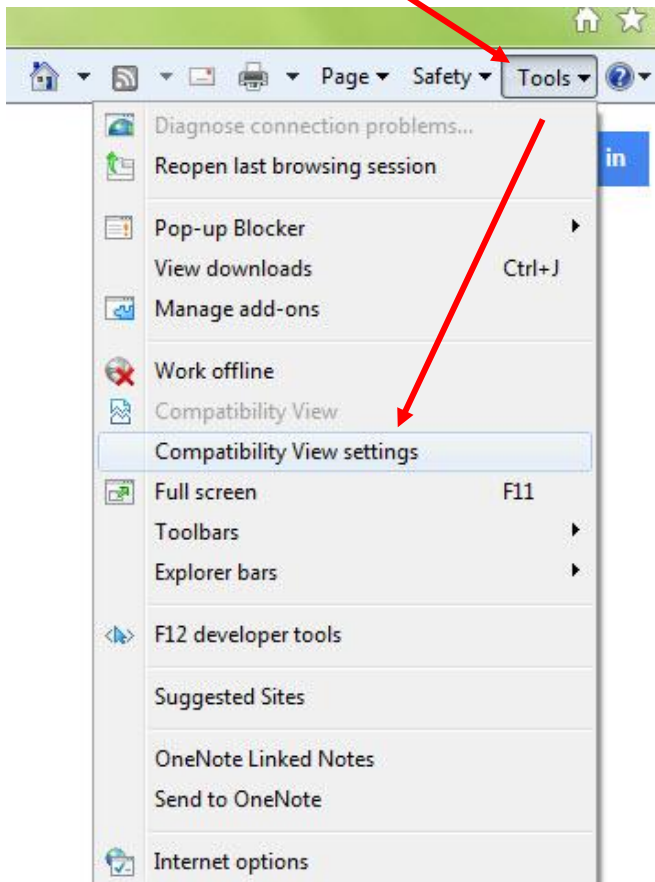

1.) Open Spaceport Imaging Laserfiche site.

2.) Right click next to address bar and select show command bar

3.) Click on Tools and select Compatibility View Settings.

4.) Type <https://bcehpublic.spaceportimaging.com> into the "Add this website" section and click Add. Then click Close. Now, each time you open the Spaceport imaging Laserfiche site it will open correctly.
